CHARLATAN PLAY FRIDAY NIGHT

HAMILTON LIFE

BEAT ST. LAWRENCE ON SATURDAY

VOL. XVIII — HAMILTON COLLEGE, CLINTON, N. Y., TUESDAY, NOVEMBER 3, 1925. — NUMBER 6.

COLLEGE ASTIR WITH APPROACH OF PARTY TIME

Eleven Crowds to Entertain at Fall House Party Next Friday and Saturday

MANY EVENTS SCHEDULED

Charlatans Will Present "Night at an Inn" Friday Evening

Once more the freshmen are waxing floors, cleaning rugs, and cleaning up the Houses; once more the Chapel bulletin board is flooded with notices broadcasting the sale of second-hand tuxedos, and once more the clothiers who visit the Hill are carrying away full order books for new suits, tux, shoes, ties, linen, and studs; in fact, everything that goes to make the smoothly-dressed college "snake"! Yes it's fall house party; and the date is this coming week-end, November 6 and 7.

All the details for the party are practically completed. All eleven fraternities are entertaining with dances in the chapter houses on Friday and Saturday evenings. Friday evening is open house for upperclassmen in most of the crowds. The Charlatans will present a one-act play on Friday evening in the Hall of Commons at 8:30 o'clock. On Saturday afternoon, there will be a soccer game with Sherrill at 1 o'clock. The football game with St. Lawrence will be at 2:30 p. m., and after the game there will be two tea dances at 4 o'clock: one for the members of the D. T. Club at the Psi U House, and the other, the Sophomore Hop, at the Chi Psi Lodge. Moreover the Royal Gaboon will be distributed by Saturday morning.

List of Orchestras

A complete list of the orchestras which will play at the various houses follows: Alpha Detla Phi, Jimmy Day's Orchestra of Corning; Delta Upsilon, Orange Serenaders of Syracuse; Sigma Phi, Crocker's Orchestra of Utica; Theta Delta Chi, Seneca Serenaders of Hobart; Chi Psi, Maroon Collegians of Auburn; Delta Kappa Epsilon, Collegiates of Cornell; Psi Upsilon, Briarcliff Lodge Orchestra of Union; Emerson Literary Society, Gibbon's Harmony Boys of Geneva; Chi Beta Sigma, Asia Orchestra of Utica; Lambda Chi Alpha, Syncopators of Binghamton; Lambda Xi Sigma, Pep-San Orchestra of Rome.

The one-act play which the Charlatans will present on Friday evening is Lord Dunsany's "Night at an Inn." The members of the cast have been working hard during the last few weeks to whip the play into shape for its first performance, and to impart to the presentation the vividness and sense of horrible reality which makes the play so weirdly impressive. In brief, the play deals with three hard-boiled sailors led by a fanatic, who have stolen an eye from an idol. Three priests pursue the robbers, but are led astray and killed. As the sailors celebrate, the idol itself appears and by some mysterious means draws them to their destruction. The cast of the play is: The Toff, Robson, '26; Sniggers, Goodwin, '27; Albert, Wadsworth, '29; Bill, Cutter, '29; 1st Priest, Scheu, '29; 2nd Priest, Nichols, '26; 3rd Priest, Gibson, '29; Klesh, Olmstead, '27. Admission will be free.

Hope for Victories

Hamilton supporters are looking for successful outcomes to the two athletic events on Saturday mainly because the games will be played before a houseparty crowd. The presence of the houseparty girls among the spectators has always acted as a spur to urge the Buff and Blue players on to their greatest endeavors, and everyone is looking forward to the same incentive this year. Hamilton has come out successfully in houseparty football games for the last three years. Last year the team rose to heights which it reached at no other time during the season, when it ran roughshod over C. C. N. Y. to the tune of 33-0. In 1923, the only game which Hamilton won was the game against St. Lawrence at houseparty time, and three yeas ago the Buff and Blue held the powerful R. P. I. team of that year to a scoreless tie.

The Houseparty issue of the Royal Gaboon has a fitting vaudevillian-like cover in three colors drawn by Esch. This will be the first issue of the new combination magazine, and will be divided into two distinct parts. There will be several interviews, sketches,

(Continued on Page 4)

CALENDAR FOR THE WEEK

Tuesday

Fraternity meetings.

Wednesday

Meeting of Pi Delta Epsilon at Sigma Phi Place at 8.

Thursday

Choir rehearsal at 7:45.

Instrumental Club rehearsal at 9.

Friday

Fall House Party Begins.

Charlatans present Lord Dunsany's "A Night at an Inn" in Commons at 8:30.

Fraternity dances, 9.

Saturday

Soccer with Sherrill at 1.

Football with St. Lawrence at 2:30.

Sophomore Tea Dance at the Chi Psi Lodge at 4:30.

D. T. Club Tea Dance at the Psi Upsilon House at 4:30.

Fraternity Dances at 8:30.

Sunday

Chapel preacher, Rev. Alfred C. Fulton, S.T.D., Syracuse, N. Y.

CROSS COUNTRY MEET WON BY HOBART, 23-32

Sectional High School Meet Held on Hill Satuday

The cross country team went to Geneva on Saturday. Meeting a team which had not yet won a meet this year they had a better chance of victory than heretofore. The Hobart harriers were barely able to nose out the visitors by 23-32. The result would have been different had not Baker of Hamilton, fainted when about a mile out. He was carried in, and an examination showed that he had suffered a more or less serious injury to his liver. At the time when the local runner was forced to quit, he was far in the lead, and had been from the start.

Captain Myers of Hobart finished first over the four and a half mile course in the time of 28 minutes, 42 seconds. By a splendid sprint, which drew the applause of the spectators, Ed Clark finished second, about five yards ahead of Fingar, of Hobart, who had a considerable lead over him.

This year's team is one of underclassmen. As such they promise much in the way of future material, but can hardly be expected to outrun the seasoned harriers whom they meet elsewhere. The Hobart meet is a rather better indication of what they are able to do against a team of somewhere near their own class.

The order of finishing was: Myers, capt., Hobart, 1st; Clark, Ham., 2nd; Fingar, Hobart, 3rd; Wager, Hobart, 4th; Harkness, Hobart, 5th; Donaldson, Ham., 6th; Miller, capt., Ham., 7th; Bald, Ham., 8th; Vosburg, Ham., 9th; Robbins, Ham., 10th; Hoyt, Hobart, 11th.

Schoolboys Compete

The Sectional Interscholastic Cross Country Meet for section 5 of New York State was held on the Hill last Saturday afternoon at 1:30 o'clock. Five Oneida and Oswego County towns competed. They were Pulaski, Oswego, Mexico, Sandy Creek, and Utica.

Pulaski won first place, Mexico second, Oswego third, Utica fourth, and Sandy Creek fifth. Only the first five men placing from each school were counted. "Bob" Hughes, representing Mexico High School, with a time of 16 minutes, 1 9-10 seconds, placed first, Gleason of Oswego second, and Bateman of Pulaski was third man. The meet was in charge of C. E. Riley of Oswego. The course was 2 3-4 miles.

The purpose of this meet was to determine who should represent this section at Syracuse next Saturday. The prize to the ultimate winner of these contests will be the championship of the High Schools and Secondary Schools of New York State outside of New York City. This section comprises eleven counties, but only two sent runners.

No town could send less than 5 nor more than 10 men. The number of men representing the various towns were: Pulaski, 9; Sandy Creek, 5; Oswego, 5; Utica, 6; and Mexico, 9. There was a total of 34 runners.

The first seven men go to Syracuse next week. They were: Hughes, Mexico; Gleason, Oswego; Bateman, Pulaski; Parrish, Mexico; Louth, Oswego; Lymone, Mexico; and Ferguson, Pulaski. Alternates go from the schools in the order that they came in Saturday.

Additions Made to College Infirmary

Alterations now being made in the old library will provide for quite extensive additions to the infirmary. The space formerly taken up by the numerous alcoves, and a part of the old reading room has been utilized for the addition of three new rooms in the rear of the main infirmary. The change will provide for a kitchen in the rear of the building on the south side. Next to the kitchen will be a small room which may be used in case of necessity as a contagious ward. Between this and the large room in front, a small room is being equipped to serve as a nurse's room.

This arrangement will leave only the doctor's examination room on the north side of the building. It will result in great convenience to the nurse in charge, who will not have to cross the hall at all.

Work on the addition has been progressing for two weeks. It will probably be finished before the end of November. President Ferry and Dr. Glass of the Board of Trustees are the committee in charge. They consulted with Dr. Hamlin concerning several details.

SOCCER TEAM LOSES TO WILLIAMS, 2-1

Visitors Forced to Play Defensive Game on Muddy Field

History repeated itself here Saturday when a Hamilton soccer team figured to be five or six points better than a Williams eleven, was forced to take the short end of the score. Williams, beaten by R. P. I., who later bowed before the Buff and Blue, outrushed the Hamilton forwards and won 2-1.

Hamilton took the aggresive in the first half and repeatedly bombarded the Williams goal but to no avail. The ankle-deep mud that covered the playing field made accurate placement of kicks impossible. This fact, coupled with the remarkable defensive work of Culp, Purple goalie, turned back several Hamilton thrusts that appeared certain of scoring.

Although the players were literally plastered with mud, the play became faster in the third quarter. Williams drew first blood in this session when Vanzwoll, digging the ball out of a scrimmage in front of the Hamilton goal, drove it past Hassard for the first point of the game.

Hamilton rallied sharply and after several attacks had gone astray evened the count at one all, Howk being responsible for the goal. The score remained even until the last few minutes of play when the Hamilton defense wobbled for an instant and McAnemy lobbed the muddy ball over Hassard's head.

Considering the brilliant form displayed against R. P. I. last week, Hamilton's showing in the Williams combat was rather disappointing. The Buff and Blue line was paticularly at fault Saturday. The old passing and heading was missing and individual rather than team play was the result. Several chances to score, especially during the first half, were lost because of inaccurate booting. The muddy condition of the field had much to do with the poor handling of the ball on the part of the forwards, but the snap and dash displayed against R. P. I. last week was most decidedly absent.

The backfield was the redeeming feature of the Hamilton team. Excepting the slip in the final period when Williams scored the winning point, the backfield worked together like a veteran combination. On several occasions the backs broke up Williams parries that seemed certain of scoring.

The summary for the game:

HAMILTON		WILLIAMS
	goal	
Hassard		Culp
	left fullback	
Warfield		Wyckoff
	right fullback	
Bald		Wortley
	left halfback	
J. Chase		Rowland
	center halfback	
P. Chase		Rowley
	right halfback	
Fisher		Capt. Pagenstecher
	left outside	
Capt. Payne		Field
	left inside	
Chan		Vanzwoll
	center	
Howk		Hightengate
	right inside	
Nichols		Harris
	right outside	
Forshay		McAnemy

Score by periods:

HAMILTON	0	0	1	0	—1
WILLIAMS	0	0	1	1	—2

Substitutions: Hamilton: Britten for Nichols; Bauer for Warfield. Williams: Rice for Vanzwoll; Vanzwoll for McAnemy. Goals: Williams: Vanzwoll, McAnemy; Hamilton: Howk. Referee: Feathers. Time of periods: 17 minute quarters.

STATE TRACK MEET HERE NEXT SPRING

State Intercollegiate Contests to be Held on Hill

The first annual meeting of the New York State Intercollegiate Athletic Conference was held at the University of Rochester Monday, Oct. 26. Hamilton College was represented by Albert I. Prettyman, director of athletics, and Professor F. H. Ristine.

The outstanding feature of the Conference was the naming of May 29 as the date of the first conference track meet, which will be held at Hamilton College. Each member of the Conference will probably not send a complete team to this meet, but will be represented by its outstanding track men. It is planned by the Hamilton officials to award medals or some such insignia to the men winning the various events. The honor of holding the first New York State track meet comes to Hamilton through the efforts of Coach Prettyman. It will be the second time during the college year that Hamilton has played host to state-wide athletic meets, for the New York State Scholastic tennis tournament was held here this fall.

The representatives of the eight members of the Conference voted to admit St. Lawrence University and St. Bonaventure College to membership, making ten members in all. These two institutions had already signified their desire to enter the league and their willingness to subscribe to the articles of the Conference, which include the one-year rule in all sports, starting next fall. The institution of the one-year rule and the maintenance of similar eligibility rules are the two main objects of the Conference.

Permanent officers of the organization, who will serve for two years, were elected to take the place of the temporary officers who were designated at the organization meeting held at Syracuse last spring. The new officials are mainly redesignations of the first set of officers. Dr. Edwin Fauver, Director of Athletics at the University of Rochester, was elected president, A. I. Prettyman of Hamilton College, vice-president; and G. A. Roberts of Hobart College, secretary.

Much of the time was devoted to drawing up of preliminary gridiron schedules for 1926. Most of the ten members booked 4 games with other members of the Conference. Niagara was dropped from the schedules of both Rochester and Hobart. Hamilton and Niagara booked only two games with other members, which caused some adverse comment from the other members of the league. Most of the schools represented wished to book games with Hamilton, but because of previous arrangements with New England colleges, Mr. Prettyman was unable to do this. Basketball schedules for 1926-27 will not be drawn up until after the first of the year.

A committee of coaches, Deak Welch, Hobart; Bart Carroll, Hamilton, and Harry Lawson, Rochester, was appointed for the consideration of officials for conference games. These men will give a complete report on their findings and will recommend that those suggested be appointed by the central board of officials.

After the meeting was opened by an addess of welcome by Dean Noeing of the University of Rochester, Dr. Fauver read a paper in which he reviewed the work of the Conference so far and in which he called attention to the ideals and rules of the body, stressing the thought that success or failure depends on whether or not the college men in charge of the organization obey the spirit as well as the letter of the law. Professionalism came in for severe censre and will be fought to the limit by those in charge of the work.

ROTARIANS ENTERTAIN

Twelve Hamilton undergraduates who are sons of Rotarians were guests of the Rotary Club of Utica at its Friday luncheon in Hotel Utica. In addition to the students, Dr. Ferry, Dr. Chase, Mr. Prettyman, Mr. Carroll and Mr. Gelas were present.

E. J. Wager, '85, presided. He gave a brief history of Hamilton College. Francis Willoughby explained the Rotary Club to the college men. Dr. Ferry, Wallace Johnson, and Prof. Chase thanked the Rotary Club on behalf of the college. William H. DeShon, '70, was the oldest Hamilton alumnus present. Hamilton songs were sung during the luncheon.

This is the first time that Hamilton men have been invited to such an affair and Hamilton College appreciates the fact that the Utica Rotarians want to work with them.

FOOTBALL AND SOCCER GAMES AT HOME SAT.

St. Lawrence Eleven Promises Hard Fight—Soccer with Sherrill

An undefeated eleven comes to the Hill on Saturday afternoon, confident, after tying Union and trouncing Hobart, of enjoying an easy victory. St. Lawrence seems to count Hamilton as her big opponent and promises to bring along a substantial cheering section, to watch the team make up for the series of close games played with us in the past few years. Two years ago, before a houseparty crowd, we barely managed to squeeze into the long end of a 14-12 score. Last year the battle at Canton was equally close but the Larries put over one more touchdown than we.

As for St. Lawence, one fact should be taken into consideration. At houseparty time, the team will play as never before this year, as it always does.

The significant thing about last Saturday's game at New York is that we made our forward passes good when the C. C. N. Y. line held. If we are able to vary our play so well in the games that are to come we can make a good showing.

Sherrill Has Fast Team

Hamilton will ring down the curtain on its 1925 soccer campaign in a game with Sherrill here this Saturday. The game will be played directly before the football game with St. Lawrence and will give the houseparty visitors an opportunity to see a real exhibition of soccer.

The Sherrill team is probably one of the fastest semi-pro combinations in this part of the country. The visitors will have the advantage of having played together for several years and being well accustomed to each other's style of play.

Coach Gelas will probably start the same lineup that he has used to open the R. P. I. and Williams games. Nichols, still limping around on a bad ankle, will probably get the call to start with Britten in reserve.

Several Buff and Blue athletes will take part in their last collegiate soccer game Saturday. Captain Payne and Nichols, who have covered the positions on the left side of the line for the last three years, and Jack Chase, left halfback, will play their last soccer games for Hamilton.

—Biff Bates, '24, and several other Utica alumni are planning to run a dance at Hotel Utica for the Hamilton and Union men on the Saturday evening of the Union game. Posters will soon be out and scattered throughout the college and near vicinity. Definite arrangements will be announced this week.

—The Newman Club held its regular meeting last Friday night at the Chi Beta Sigma House. Father Dwyer attended the meeting for the first time this semester. He gave a talk on some of the principal topics of the day. As few men were present, the meeting terminated early, for, through a mistake, it had not been announced in chapel.

Hamilton Life will appear next Saturday afternoon. It will be a six-page edition containing a complete story of the St. Lawrence game, a list of the houseparty girls, and accounts of the first Hamilton-Union game written by Samuel Hopkins Adams and Duncan Campbell Lee, who played in that game. Copies will be delivered on the Hill soon after the football game. There will be no issue Nov. 10.

HAMILTON AERIAL STRATEGY BEATS C. C. N. Y., 12-0

Buff and Blue Launches Sweeping Forward Pass Attack After Straight Football Fails

CHATFIELD STARS

Doane and Jenness Make Touchdowns on Passes

A dazzling aerial attack that completely baffled their opponents enabled the Hamilton College football team to defeat the City College of New York aggregation by a 12 to 0 score in Lewisohn Stadium last Saturday. After finding the C. C. N. Y. almost impenetrable, the Buff and Blue launched the first aerial attack it has shown this year. In spite of the muddy condition of the field, the Hamilton men were able to complete a majority of their passes.

A combination between Chatfield and Martin was the big reason for the Hamilton scores. Martin broke thru the opposing defense to receive accurate heaves from Chatfield. The first score was made in the second quarter on a pass from Chatfield to Doane. The final score of the game was made in the last period when Jenness counted on a pass from Chatfield. The feature of the game, according to the New York sport critics, was the great playing of the freshman star, Chatfield, who excelled in all departments of the game. His punts with the muddy ball averaged well over 40 yards and his accurate passes paved the way for many of the Hamilton gains, while his speedy dashes around the ends worried the opposing team constantly.

Hamilton Passes Work

Early in the first period Hamilton opened up with its aerial attack. After two exchanges of kicks which left the ball in the visitors' possession near the center of the field, Chatfield heaved a 40 yard pass to Kinloch, who was downed on the 15 yard line. Finding the line impenetrable, Hamilton attempted two passes which were blocked, and C. C. N. Y. kicked to midfield. Hamilton could not gain thru the line and Chatfield punted out of bounds on the 12 yard line. Several more punts followed, and as the period ended Jenness and Martin counted a first down through the line.

Jenness hit the line for another first down. Another pass, Chatfield to Martin, gained 20 yards, putting the ball on the three yard line. C. C. N. Y. was penalized half the distance to the goal for unnecessary roughness and on the next play Hamilton was penalized five yards. After an unsuccessful attempt through the line, Chatfield passed to Doane for the touchdown. Martin's kick hit the goal posts and went wide.

Hamilton kicked off to the 40 yard mark. C. C. N. Y. was again penalized half the distance to the goal, and punted on the first down. Chatfield broke loose for a gain, being downed on the Lavender 35 yard mark. After an exchange of punts, Doane snatched one of Chatfield's heaves for a gain of 30 yards. The Lavender line prevented a Hamilton score, and C. C. N. Y. kicked as the period ended.

Martin started off the second half with a beautiful 50 yard run-back of the kick-off. The Buff and Blue backs could not gain and Chatfield punted over the goal line. After an exchange of punts the New Yorkers opened up an aerial attack from their own 14 yard mark but could not complete a single pass.

C. C. N. Y. Threatens

An intercepted pass gave C. C. N. Y. the ball in midfield and a moment later Hamilton was penalized half the distance to the goal for roughness. The Buff and Blue line held for downs. The next play Hamilton fumbled and C. C. N. Y. recovered on the 12 yard line. Again Hamilton held, breaking up line plays and passes. Standing behind his goal posts, Chatfield booted the ball to safety as the period ended.

C. C. N. Y. was penalized 25 yards. Martin, receiving the Lavender punt, was dropped on his 18 yard mark. Chatfield punted to midfield, where the New York backs fumbled. Levinstin intercepted a forward pass and ran it back to the visitors' 48 yard mark. On the next play Thomas copied the City College half back's play, and was lowned on the Lavender 37 yard mark. Two passes by Chatfield, to Doane and to Jenness, gave the Buff and Blue its second touchdown. Martin's kick was blocked.

NEW SIGN OF COLLEGIATE DEGENERATION

Recently the Senior class in English Composition waited patiently for the final taps of the Chapel bell to toll before officially deciding that the professor was "cutting." And then a phenomenon occurred. One member of the class said with the time-honored sarcasm: "Let's hold class anyway." Somebody answered in a more serious tone: "Why not?" There was a sudden pause on the part of the dozen or more men who were picking up their books preparatory to an exit. The query "Why not?" had had an effect. The members of the class took their accustomed seats, and, although somewhat amazed at their own rashness, elected a chairman.

Several students read compositions of their own writing which were discussed and criticized by the members of the class. Hot disputes on matters of literary technique were started. Praise and unfavorable criticism were given with equal openness and fairness. There was an air of great informality about the class which is conspicuous by its absence in the usual college class-room. Yet there was an orderliness and intelligence in the conduct of these men which would have pleased the strictest professor.

It might also be added that a pleasant haze of cigarette smoke showed that the members of the class were combining pleasure with more serious occupations.

We have often commented in these columns on various incidents on the Hill which may be taken as indices of general development. In this incident, slight and unimportant in itself, we can see a genuine interest in a course, although expressed in a very unorthodox fashion. We fear that "the old grads" will point to this as just another example of the hopeless weakness and degeneration that is evolving in the modern college student.

WHY NOT ENGLAND?

Oxford has gained great popularity throughout this country by sending her best debaters to our shores. The purpose of the trip was to further the end of international education. In past years Columbia, Bates, and Colgate have sent teams abroad with the same purpose. These teams accomplished little in the line of making debating fame for themselves, and have merely helped fulfill the idea of international education. Due to the late trip of Oxford, many colleges are sure to organize teams to send to England.

No college is better prepared to organize an international debating team than Hamilton. The public speaking department of the College is desirous of forming such a team. If the men of the college support the activity this year, if they participate seriously in the tryouts for intercollegiate contests, there is no reason why Hamilton should not send a team of three or four men to England next fall. It is time that Hamilton, one of the oldest and most respected colleges in America, took her part in the scheme of international education. Other colleges have done their bit toward making friendly relations with England; so can Hamilton.

Y. M. C. A. SENDS TWO DELEGATES TO UNION

Conference on World Court Held at Schenectady

A sectional conference of students from New York State colleges was held at Union College last Sunday for the purpose of discussing the World Court among college students.

The conference was held under the auspices of the National Council of the Y. M. C. A. The Council proposes to conduct a straw vote in every college of the United States and to present the results to Congress at the opening of the next session.

With the forethought that over 200,000 college students will become voters within a year, the straw vote should clearly indicate the attitude of college men upon the World Court.

The conference was attended by approximately 80 delegates representing eight different institutions including Union, Hamilton, Colgate, R. P. I., State College for Teachers, Vassar, Skidmore and Russell Sage.

The speakers were Fred Harris, editor of the Y. M. C. A. Press, Miss L. T. Curtis, and David Hunter Miller, American ecomonic repesentative at the peace conference.

The general consensus of opinion expressed by the delegates of the girls' colleges was in favor of the World Court, while the delegates from the men's colleges expressed an opinion that their colleges were against the World Court.

George Bebee, representing the Y. M. C. A., and Newell Holley, representing the student body, were the Hamilton delegates.

—Rev. Charles K. Gilbert, '02, was on the Hill recently helping coach the football team. Mr. Gilbert was a member of the famous team of 1901-02, which defeated Colgate.

BAD WEATHER DELAYS TENNIS TOURNAMENT

Alpha Delts Win Interfraternity Golf Cup for Third Time

The annual fall tennis tournament for the purpose of determining the ranking players in college his been at a standstill for more than three weeks now. The recent cold snap and disagreeable rains and snows have dampened the enthusiasm of the players. Not all of the first round matches in either the singles or doubles have been played yet.

It is hoped that all contestants will endeavor to complete their matches as soon as possible that an accurate alignment of the players may be had.

The Alpha Delta Phi fraternity won for the third time in succession the annual inter-fraternity golf tournament when its team defeated the Delta Kappa Epsilon team in the final match this fall. The match was carried over from the spring on account of examinations interfering with the tournament at that time. The Alpha Delts won with ease, vanquishing their opponents by the huge tally of 15 up and 14 to play. The Alpha Delts were represented by Holley, Esch and Beardsley. The Dekes were O'Connell, Gray, and Britten.

Since the champions have won the trophy cup for the third time, it is now their permanent possession. In 1924 the Sigs were runners-up, and in 1923 the Chi Psi's were second best.

The college is asked to bear in mind the date Monday evening, Nov. 23, when Mr. L. O. Armstrong will deliver his illustrated lecture, "The Fjords of America," in the Hall of Commons. Mr. Armstrong is sent by the Bureau of Commercial Economics of Washington, D. C.

—Every loyal alumnus should subscribe for HAMILTON LIFE.

A COMMUNICATION

To the Editor of **Life**:

Although I believe that Mr. Bebee's statement in last week's **Life** concerning the purposes of the D. A. M. Club quite offsets the faulty impression given by your editorial of the same issue, I also believe that a few further words of correction are due to alumni members of the club.

First of all, the title of your editorial, "The passing of D. A. M." is of course a decided misnomer. The fact that six men have, for dubious reasons, seen fit to reject offers of membership has in no way destroyed the existence of the organization.

Secondly, I find it rather amusing that you seem to share, along with the rest of the college, the fallacious idea that every existing club on the campus must have a decidedly constructive "pupose." The D. A. M. rather congratulates itself that it has no high aims in life, and therefore cannot fall short of the mark. It is the D. T. Club, is it not, that is now supposed to be ushering at athletic contests? Perhaps we might adopt for ourselves the task of keeping the snow off Mr. Prettyman's hockey rink during the winter..

You also state in your editorial, if I remember correctly, that "every man who competes vigorously usually sets his heart upon succeeding." May I add that I hope devoutly that those who **have** "succeeded" will also "succeed" this week, as a gigantic reward of two years or so of work, in extracting the very generous gift of complimentary tickets from the athletic administration?

Yours, etc.,
J. K. H., '26..

In an isolated region, almost inaccessible in winter, this 6500 h.p. hydro-electric plant located on the Deerfield River in New England, starts, protects, and stops itself.

A Self-Starting Power Plant

Dawn—the slumbering city awakens and calls for electric current. Many miles away the call is answered. A penstock opens automatically, releasing impounded waters; a water turbine goes to work, driving a generator; and electric current is soon flowing through wires over the many miles to the city. This plant starts and runs itself.

Power plants with automatic control are now installed on isolated mountain streams. Starting and stopping, generating to a set capacity, shutting down for hot bearings and windings, gauging available water supply, they run themselves with uncanny precision.

Thus another milestone has been reached in the generation of electric power. And with present-day achievements in power transmission, electricity generated anywhere may be applied everywhere.

The non-technical graduate need not know *where* electricity comes from—nor even *how* it works. But he should know *what* electricity can do for him no matter what vocation he selects.

The General Electric Company has developed generating and transmitting equipment step by step with the demand for electric power. Already electricity at 220,000 volts is transmitted over a distance of 270 miles. And G-E engineers, ever looking forward, are now experimenting with voltages exceeding a million.

A new series of G-E advertisements showing what electricity is doing in many fields will be sent on request. Ask for booklet GEK-1.

GENERAL ELECTRIC
GENERAL ELECTRIC COMPANY, SCHENECTADY, NEW YORK

Carpe Diem

Chester Alfred Lyons sticks out his chest

(From "Fiat Lux" of Alfred College, Oct. 13, 1925 A. D.)

Headline: "Chester Lyons elected president of student senate."

And then: "It is that unassuming way in which Chet carries himself which makes him attractive; and that personality which goes with a good character, that makes him well worthy of the name Alfredian."

* * *

What! A contributor? Watson, put your gun in your pocket. There may be evil work ahead of us tonight.

* * *

Dear Carpe:

It has been learned from various and sundry sources that the class of '29 has not disappointed us in its intellectual development. Proof of this will be found in the following extract from a Comp. 1-2 theme:

"On raising my eyes off the ground, I looked full into the face of Alexander Hamilton. His face was covered with cold, wet snow, and it made me shiver to see him standing there so thinly clad in the wind."

COUNT DE KARDTS.

* * *

Ask Us!

Carp:

Your observation of last week about the unfortunate elevation of ass managers to scrub managers is week stuff compared to the latest development.

I suppose that you are aware that the latest move on the part of these rusty menials is to get FREE tickets to athletic contests. Get that? FREE TICKETS! Was the person correctly informed who telegraphed me that Prettyman was about to offer Pierce-Arrows to hold on to his managers and save the system? I don't know. The snow birds are playing hell with the Associated Press wires these days, Carp. My dope may all be wrong, but.....

OMOO.

* * *

NOW YOU SPILL ONE

(No. 3 in the series, as we remember)

"No, keep your money, old man. I was pretty darned sure Yale would beat Brown, anyhow."

* * *

Simile contest: ".....as emotional as Little Greek, in Art 1, considering one of Antenor's lovely undraped ladies."

* * *

Where men are just that

Dear Carp:

Your correspondent has just passed through the toughest village encountered in his travels since leaving Kirkland on June 18.

Would it interest you to know that in Blefuscu the natives are so tough that they take off their collars with crow-bars?

JAY KAY, Blefuscu, Siberia.

* * *

Alumni note: Angus McTurk, H. '25, can't decide whether he'll go to work or become a bond salesman.

* * *

"Yes, grandmother," he whispered in the dying old lady's ear, "I lived in the South for three years and never shot a game of craps."

"There ain't no Santy Claus," the old lady gasped, and turned to the wall, and died.

* * *

Note on the advance of civilization

There is a barber shop in Utica containing a barber who is a deaf mute.

* * *

Garbled news stories: "I'm tired of getting married, boys," DeWolf Hopper told reporters of New York newspapers this afternoon, as he led his ninety-first wife up to the altar.

* * *

They either need a bottle of listerine or a divorce:

Special to **Hamilton Life**: Los Angeles, Oct. 31. Douglas Fairbanks and Mary Pickford are among those missing in the social Blue Book issued here today.

The "Prof" may not admit it —but it's true

HE probably will not tell you that clean, neat, typewritten work brings better marks—but it does—and the reason is obvious. It relieves him of that tedious task of deciphering longhand, and keeps him in perfect "reading humor". Then too, you'll find the New Remington Portable a great time-saver in compiling notes and keeping up with your correspondence.

Students prefer the New Remington Portable because it is the lightest, smallest, and most compact of all standard keyboard portables. It fits in a case only four inches high and can be tucked away in a desk drawer or bookcase when not in use.

You will be interested to see the many advantages of this indispensable helper and hear about our easy payment plan.

Y. M. C. A. CAMPAIGN ENDS; 250 ENROLLED

First Movie to be on November 21—14 Shows Assured

The Y. M. C. A. membership campaign which began two weeks ago, closed a week ago today. The officers pronounce the results eminently satisfactory and with such support, feel perfectly competent of carrying out the year's program. Not only are the 14 movies assured, but there will be a slight surplus which will go toward the national and state assessments, the sending of delegates to conferences, the various social functions given under the auspices of the Y and some interior improvements to Silliman Hall.

Whether the student body was swayed by the estimated saving of two dollars and ten cents to those who had paid memberships, or whether it was struck by the advantage of having a Y membership during the summer months, is not known. Whatever the reason, the results of the drive exceeded the estimate of the Y. M. C. A. officers. It was hoped that two hundred student members could be signed up. The final figures on the campaign show that 214 Hamilton students, as well as some of the professors, have joined the organization for the year 1925-26.

The uppeclassmen and sophomores have practically the same percentage of men signed up. The frosh average slightly higher. Twenty-seven seniors, 43 juniors, 51 sophomores, and 93 freshmen have joined the Y. M. C. A. The seniors average 45% the juniors 44%, the sophomores 44% and the frosh lead with 66% of the class. Practically every member of the Membership Committee reported at least 50% of his men willing to join. Of the two classes of members—active and associate—the former leads. A majority of men expressed their willingness to subscribe to the fourfold purpose of the Y. M. C. A. It is hoped, however, that the closing of the membership campaign will not prevent more members being added to the organization. The officers hope that they may raise the figure to 250 before the first of December.

The first of the movies in Commons will be given on November 21st.

FOOTBALL TEAM WINS

(Continued from Page 1)

A large crowd witnessed the contest. It was estimated that there were more than a thousand Hamilton supporters in the stadium. "Chip" Stone, '27, led the cheers. Between the halves "Carissima" was sung. The game was marred by frequent penalties, Hamilton losing over 100 yards by that means.

The line-up:

HAMILTON 12		C. C. N. Y. 0
Kinloch	left end	Haber
Keeports	left tackle	Drielband
Wormuth	left guard	Packer
Brockway	center	Williams
Thomas	right guard	Goldberg
Olmstead	right tackle	Rosenbluth
Doane	right end	Turbidy
Mann	quarterback	Rosenberg
Fletcher	left halfback	Lipsitz
Chatfield	right halfback	Longo
Martin	fullback	Josephberg

Hamilton	0	6	0	6	12
C. C. N. Y.	0	0	0	0	0

Touchdowns: Doane, Jenness. Substitutions: C. C. N. Y.: Clark for Haber, Levinstim for Lipsitz, Tepper for Goldberg, Haber for Clark, Sober for Packer, Lipsitz for Livinstim, Moder for Rosenberg, Clarg for Haber, Goldberg for Haber, Livinstim for Lipsitz. Hamilton: Williamson for Olmstead, Pierce for Mann, Richards for Kinloch, Reinecke for Richards, Heulett for Thomas, Jenness for Fletcher, Scovel for Jenness.

Referee: Madden, Yale; umpire: Tewkill, Brown; linesman, White, Rutgers. Time of periods: 15 minutes.

HOUSE PARTY PLANS

Continued from Page 1

cuts of Elihu Root and Ezra Pound, alumni notes, poetry and all the old time humorous content besides a selected page of the best exchanges. The art work is done mainly by Esch, Button, Yuan, and Huggins. Vogel wrote the longest prose sketch, and Skinner wrote an introductory article on Ezra Pound.

The D. T. tea dance at the Psi U House will be supplied with music by the Crocker Orchestra of Utica and the Maroon Collegians of Auburn will play for the Sophomore Hop. The committee for the Sophomoe Hop is Sid Bennett, chairman; Bower, Morton, Searles, Warren, Watters, Yuan, and Bannerman.

FRESHMEN, SOPHOMORES, JUNIORS, SENIORS, ATHLETES,
Do You Know?
"HOW TO STUDY"
The Students' Hand-Book of Practical Hints on the Technique of Effective Study
by
WILLIAM ALLAN BROOKS

A GUIDE containing hundreds of practical hints and short cuts in the economy of learning, to assist students in securing MAXIMUM SCHOLASTIC RESULTS at a minimum cost of time, energy, and fatigue.

ESPECIALLY RECOMMENDED for overworked students and athletes engaged in extra curriculum activities and for average and honor students who are working for high scholastic achievement.

Some of the Topics Covered

Scientific Shortcuts in Effective Study.
Preparing for Examinations.
Writing Good Examinations.
Brain and Digestion in Relation to Study.
How to Take Lecture and Reading Notes.
Advantages and Disadvantags of Cramming.
The Athlete and His Studies.
Diet During Athletic Training.
How to Study Modern Languages.
How to Study Science, Literature, etc.
Why Go to College;
After College, What?
Developing Concentration and Efficiency.
etc., etc., etc., etc., etc., etc. etc.

Why You Need This Guide

"It is safe to say that failure to guide and direct study is the weak point in the whole educational machine." Prof. G. M. Whipple, U. of Michigan.

"The successful men in college do not seem to be very happy. Most of them, especially the athletes, are overworked." Prof. H. S. Canby, Yale.

"Misdirected labor, though honest and well intentioned, may lead to naught. Among the most important things for the student to learn is how to study. Without knowledge of this his labor may be largely in vain." Prof. G. F Swain, M.I.T.

"To students who have never learnt 'How to Study,' work is very often a chastisement, a flagellation, and an insuperable obstacle to contentment." Prof. A. Inglis, Harvard.

"HOW TO STUDY" will show you how to avoid all misdirected effort.

Get a good start and make this year a highly successful one by sending for this hand-book and guide NOW.

You Need This Intelligent Assistance
